# SAORC 2023 Rounds 1 & 2

## Welcome from the Keith & Districts MCC

---

### KDMCC Presidents Welcome

A warm welcome to you all for Rounds 1&2 of the SAORC for 2023!!!

What an exciting weekend of competition we will have on fresh terrain! I encourage you to personally thank the people you may meet and greet who have made this weekend possible.

### Elbows up and throttles on!

Considering major works at Andy Caldecott Park & installation of a dust suppression water system, hosting an SA MX Championship round was off the table this year. To support the sport we love, along with our valued sponsors and members who love racing, it was decided to host 2 x SAORC (SA Off Road Championships) rounds this year. This discipline is lacking major support and volunteers, so we thought we would step up! Not only hosting 2 rounds but deciding to create new tracks has certainly been a massive challenge!! I am most certain it will be very rewarding for all those involved.

The Johnson Family of Tintinara have been extremely supportive, giving up land to host an inaugural venue for this year's first events. Their allowance for our club and volunteers to enter and carryout anything required to building a new track is much appreciated. A big thank you to, Andrew and Sally, Eddie & Will.

Also, an enormous mention must also go out to Frank Fatchen Cartage, Contract & Earthmoving! Leigh & Lisa and their kids have put in countless hours to make this event possible, donating machinery, fuel and time!!! Catering has been made possible via the Tintinara Action Group, Tintinara Lions and De-Caf Mobile Baristas. Please be sure you support their time and efforts to attend to support the SAORC.

KDMCC realises how much extra support we are receiving from the Tintinara District and thank them endlessly for everything they do.

Lastly, I cannot forget to mention how much background work our committee does! Even though we are a small group of people, damn we pack some punch to support family fun and riding bikes! I would like to sincerely thank every one of our office bearers for all the time and effort they put in!!

Our club is run like a business and wouldn't happen without the right people in the right seats. Also a massive shout out to the 50 plus volunteers who have put their hand up to help this event go ahead and run smoothly over the weekend, donated equipment, machinery and time. A big thanks to the Richardson and Hooper families to ensure that the volunteers will be well fed and energized for the whole weekend!

Please enjoy your weekend, ride safe, look out for your fellow competitors and I wish you all safe travels.

Chad Makin.  
KDMCC President.

# The Keith & Districts MCC thank:

For their continued support of their Club.
