# Welcome

---

On behalf of the SAORC committee, we would like to welcome everyone to the 2024 South Australian Off Road Championships, particularly to Round's 1 & 2 here at Black Hill. 2024 marks a new era for the series as we look to build on the many successful years of the SAORC, and we look forward to the challenge.

The Velocette MCC has stepped up in a big way to kick the year off with a bang, and get behind this years championships by hosting rounds 1 & 2. Sprints through the mallee of Black Hill greet the competitors, and will prove to be quite the spectacle. The two Ian's (Harris and Haylock) and their team have worked tirelessly to bring this event to us. Thank you to the Velocette MCC!

This event can't happen without the help of a lot of other volunteers and to them we say a massive thankyou! Alongside our volunteers we have our wonderful landowners Michael and Cathryn Obst who have graciously let us use their land for the weekend. Please respect the properties they have lent us.

We have a host of changes and plans for 2024 and beyond, and can't wait to share them with you all. Exciting times ahead! Again welcome to everyone and happy riding!

Cheers

Tristan and Sean Throup

## Sprint Format

A sprint is run on the format of an Enduro special test. Riders complete as many heats of the course as indicated in the final instructions (or at the discretion of the Clerk of Course)

There will be an escorted sighting lap of the course prior to the commencement of the event. Times will be cumulative: the rider with the least accumulated elapsed time for each class will be the winner and so on. Start order will be seeded by the event marshalls on the day

## The Course

All courses are Open Flowing tracks with soft sandy loam, scrubby mallee with sand. All competitors are to follow the marked course which is identified by arrows and bunting.

Two arrows adjacent on the course are GATE course markers ie. riders **MUST ALWAYS** pass between these arrows. Any slashed area **IS** the course, riders must not leave the slashed areas. We will maintain the course as much as possible but Riders **MUST** stay to the original intent of the course throughout the event, regardless of the condition of the bunting, any deviation from the intended course is a breach of these instructions. No deviation will be accepted. Any competitor found to have deviated from the intent of the course and gaining an advantage will be given a time penalty of a minimum 5 minutes up to exclusion for that heat, special test and or event.

The Special Tests for Round 1 will be:

- **Nutrien Ag Junior Test - JJ & J1 – 4km**
- **Nutrien Ag Junior Test - J2-J4 – 6km**
- **WSB Senior Test – 6km**
