NEW SMOKE-FREE AND VAPE-FREE OUTDOOR AREA LAWS From 1 March 2024, smoking and vaping was banned in all public areas at and within 10 meters of playing and viewing areas during organised under-18 sporting events, including training/practice sessions in preparation for an organised underage

WARNING TO THE PUBLIC

Motor racing is DANGEROUS, and spectators attending this track do so entirely at their own risk. It is a condition of admission that all persons having a connection with the promotion, and/or organisation, and/or conduct of the meeting, including the owners of the land and the riders and owners of vehicles and passengers in the vehicles, are absolved from all liability arising out of the accidents causing damage or personal injury to spectators or ticket holders, except where due care and skill has not been exercised.

Notice 4.1

Welcome to Tintinara!

G'day everyone. An extremely warm welcome to you all for 2025's National AEC Rounds 5&6 in conjunction with SAORC Rounds 2&3 held here at Tintinara!!

What an exciting and big weekend of competition we will have, with a combined National and State Event! This event would not be possible this weekend without a LOT of 'COMMs'. First and foremost, our widespread and resilient **COMMunity**, many **COMMittees**, endless **COMMunication**, unmeasurable **COMMitment** and finally **COMpetitors** & many more volunteers to bring it all to LIFE!

I encourage everyone to personally thank the people you may bump into over the course of the weekend who have made it all possible! Congratulations to all involved!!

The opportunity for KDMCC to host a National and State Enduro/Off Road combined event was welcomed with open arms by the clubs committee approximately 5 days before Christmas 2024. With time not quite on our side, it's an enormous credit to all involved to not only plan & prepare, but to secure a property host and get to work on track courses and layouts. A massive mention must go to Matt Harkness and the people he worked with to set up all the tracks and courses the competitors will navigate.

The Johnson Family of Tintinara have once again been extremely generous, giving up land for a combined National and State Venue. Rainfall has certainly been scarce with less than 25% of our average for the last 6 months falling, the conditions will be extremely dry & dusty! Considering the dry on top of all other factors currently occurring in our rural districts, I must state that Andrew, Sally, Eddie & Wills' support has been extraordinary and so, very much appreciated. Please respect the property and all facilities supplied especially with the state of our fragile land and soils at current.

KDMCC realises how much extra support we are receiving from the Keith & Tintinara Districts and thank them endlessly for everything they do.

The track will consist of a variety of terrain. Scrub, deep sand, some loamy flats, solid rocky out crops and loose rocky range country.

Competitors, please ride safe, look out for your fellow riders & treat one and other with respect. Spectators, please stick to the designated areas bunted which consist of a minimum of 8m back from any race line. If you're unsure then please ask an official wearing blue, yellow or orange vests.

Lastly, thank you to all the suppliers and caterers for banding together to cater and 'Feed & Water' (sorry I'm a farmer in a drought) the volunteers, officials, competitors, teams & spectators. All visitors, please support them to the best of your ability as community matters! It matters to help provide new and improved facilities and events such as this for us all to enjoy the things we love.

Best of luck to all competitors. I wish you all a very enjoyable weekend and safe travels.

Chad Makin.

KDMCC President.

For & on behalf of KDMCC and our Districts

Keith And Districts Motorcycle Club - Hosting Rounds 5+6 of the AEC, and Rounds 2+3 of the SAORC

Our volunteers and members work tirelessly to keep the club and the dreams of junior riders alive for the future of motocross and endurance/off road riding. Our club is very family orientated and community minded. We offer a welcoming social experience for the non-riders and a family friendly environment for everyone to enjoy. Motorcycle riding is beneficial for physical as well as mental and emotional health, values that our committee and members hold very close.

AEC Rounds 5+6, SAORC Round 1 2025 Officials List

This event would not be possible without the help of the following people:

OFFICIALS FOR THE MEETING:

AEC Events Manager: Kristian Pioversan

MA Steward: Scott Richardson

Clerk of Course: Sean Heidenreich

Course Assessor: Joshua Green

Race Secretary: Julia Smart

Technical Officer: Timothy Rayson

Series Chief Timekeeper: Andrew Davis

Deputy Series Timekeeper: Daniel Deegan

Location of Event: 428 Lewis Road,
Culburra SA

GPS: -35.77662, 140.01546.

Thank you to Johnson family for the use of this amazing property. Please respect the land by taking all your rubbish with you. Fires are permitted provided they are in a suitable container (e.g., brazier or tub). Please bring your own firewood. All fires must be out during racing. Gas cookers are allowed. Strictly no dogs allowed.

The Event

Cross-Country

Cross Country events will be conducted on a 15-30 minute marked course where competitors are required to race continuously for a maximum of 3 hours for seniors and 2 hours for juniors. Riders start as a class, each class separated by 1 minute intervals. A designated refuelling area is available and all refuelling and mechanical work is carried out in this area.. Juniors compete at different times to the above classes and the length of their competition will also vary. To be a finisher a competitor must have completed at least 75 percent of the laps of the winning rider in their class. The cross country format rewards riders with consistency and endurance.

Sprint Format

A sprint is run on the format of an Enduro special test. Riders complete as many heats of the course as indicated in the final instructions (or at the discretion of the Clerk of Course)

There will be an escorted sighting lap of the course prior to the commencement of the event. Times will be cumulative: the rider with the least accumulated elapsed time for each class will be the winner and so on. Start order will be seeded by the event marshals on the day.

The Course

The track will consist of a variety of terrain. Scrub, deep sand, some loamy flats, solid rocky out crops and loose rocky range country. There will be one track for the Cross Country races, and three tracks for the Sprints.

SPECTATORS MUST KEEP 8 METRES BACK FROM THE RACE TRACK AT ALL TIMES, AT ANY PART OF THE COURSE.
